TORNADO

Brand Positioning

Caringly responding to the needs of families building comfortable everyday homes, TORNADO offers a full range of home appliances and consumer electronics designed around real consumer needs; practical, affordable, and reliable. Every product strikes the right balance between quality and price, backed by ELARABY's longstanding expertise since 1964 and dedicated R&D efforts to ensure TORNADO always meets international standards.

TORNADO

Brand Story

How often do you come across a brand capable of turning your everyday hassle into an easy worry-free task? Not that often, right? Pledging to facilitate your life with an eye to the future, TORNADO was introduced to the world of home appliances in 2002, bringing together ELARABY's versatile fields of expertise to achieve the long-awaited balance among your need for exceptional quality, heartfelt service and most particularly, economical prices to satisfy your inner bargain-hunter. With a wide range of home solutions, TORNADO products are designed to

always be by your side like a good friend, since the moment you wake up until you doze-off.

Suiting each and every corner in your house, sharing your dreams for a better quality-life and adding the finishing touches to your everyday comfort, while being considerate to your financial burdens.

TORNADO has been keeping its consumers loyal company for over two decades, consistently moving forward to becoming one of Egypt's leading

and most trusted household brands. Inspired by ELARABY's longstanding legacy as a family-spirited corporate and an Egyptian-grown brand, TORNADO's full-scale range of products are tailored to fulfill your aspirations, designed to seek your satisfaction and serviced to cater your needs. You think, you feel, you desire, and TORNADO goes the extra mile! TORNADO is always there, by, through and for you.

TORNADO

Laundry Care

TORNADO

Advanced Fabric Care, Made Effortless

Give every fabric the care it needs with the TORNADO laundry care range, manufactured in Italy and featuring washing machines with capacities from 8 to 10 kg, alongside a 9 kg heat pump tumble dryer. ECO Silence Inverter Technology delivers efficient washing performance with reduced noise and vibration, while spin speeds of up to 1,400 rpm support effective moisture removal. Choose from 15 washing programmes and flexible care options, including Steam, Eco 60-40, Rapid Wash, adjustable stain levels, pre-wash, soak and extra rinse. For gentle, energy-efficient drying, the A+++ heat pump dryer offers 15 dedicated programmes, including Easy Iron, Wardrobe and Extremely Dry, supported by drum lighting, rotation inversion and intuitive digital controls.

TORNADO

TWI-FV814WOFE

Inverter Washing Machine

Avalibale in 10 ,8 kg capacity

- 1400 rpm spin
- Energy Efficiency Class A
- Inverter motor featuring "Eco Silence" technology
- 15 Wash programs with 3 selectable stain levels
- Built-in Steam cycle for hygiene and wrinkle reduction
- Smart Sensors: Automatic water self-regulation (49 L/cycle)
- Safety features: Anti-overflow, Anti-foam, Overheating control, and Child lock

TORNADO

TDI-FV9HPWE

Inverter Heat Pump Dryer

- 9 Kg capacity Large drum (112 L, 575mm diameter)
- Energy Efficiency Class G+++
- Heat pump with eco-friendly R290 natural refrigerant
- 15 Drying programs with half-load and delayed start functions
- Multiple practical options including Easy Ironing, Wardrobe and Extremely Dry
- Quiet operation at 65 dB & integrated child lock

TORNADO

Water Heaters

TORNADO

**Efficient heating,
reliable warmth
every day**

The TORNADO electric water heater delivers durable performance and smart energy efficiency. Built with an enamel-coated tank and magnesium anode for enhanced corrosion defense, it features a 1.5 kW immersed element with a 30°C–75°C mechanical thermostat. High-density polyurethane insulation ensures optimal heat retention with a C-class energy rating, while multi-tier safety protections and a vertical wall-mounted G 2/1" design provide seamless, secure daily operation.

TORNADO

TEEE-SP30FK-W / TEEE-SP40FK-W

Electric Water Heaters 30 & 40 L

- Enamel-coated tank with magnesium anode for enhanced corrosion protection
- 1.5kW immersed heating element with mechanical thermostat (75–30°C)
- Built-in safety features: anti-overheating, anti-dry heating, and safety valve
- C-class energy rating with polyurethane insulation for improved thermal retention
- Vertical wall-mounted design with dielectric unions and G 2/1" connection

TORNADO

TEEE-SP50FK-W / TEEE-SP60FK-W

Electric Water Heaters 50 & 60 L

- Enamel-coated tank with magnesium anode for enhanced corrosion protection
- 1.8kW immersed heating element with mechanical thermostat (75–30°C)
- Built-in safety features: anti-overheating, anti-dry heating, and safety valve
- C-class energy rating with polyurethane insulation for improved thermal retention
- Vertical wall-mounted design with dielectric unions and G 2/1" connection

TORNADO

TEEE-SP80FK-W / TEEE-SP100FK-W

Electric Water Heaters 80 & 100 L

- Enamel-coated tank with magnesium anode for enhanced corrosion resistance
- 2.0kW immersed heating element with mechanical thermostat (75–30°C) (TEEE-SP80FK-W)
- 3.0kW immersed heating element with mechanical thermostat (75–30°C) (TEEE-SP100FK-W)
- Built-in safety features: anti-overheating, anti-dry heating, and safety valve
- C-class energy rating with polyurethane insulation for better heat retention
- Vertical wall-mounted design with dielectric unions and G 2/1" connection

AC MONOBLOCKS

TORNADO

Flexible Cooling, Wherever You Need It

Enjoy convenient climate control in different spaces with TORNADO portable air conditioners. With cooling capacities from 7,000 to 12,000 BTU, the range combines powerful performance, easy mobility and Class A energy efficiency without requiring permanent installation. Quiet operation and sleep mode help maintain a more comfortable environment, while dehumidification and adjustable airflow settings provide added flexibility. Selected models also feature heat pump technology for cooling and heating, and new Wi-Fi-enabled models offer convenient remote control through a smartphone app.

TORNADO

TPYAB-12ABG

12,000 BTU Portable Air Conditioner with Heat Pump

- 3.52 kW Cooling + 2.8 kW Heating
- A-Class Efficiency with 2.6 EER cooling ratio
- Eco-Friendly R290 Refrigerant
- 53/51 dB(A) sound pressure with sleep mode
- Self-evaporating system and washable filter
- Plug-and-Play Setup — Auto swing, window kit, and drain hose included

TPYAB-09ABG

9,000 BTU Portable Air Conditioner with Heat Pump

- 2.64 kW Cooling + 3.4 kW Heating
- A-Class Efficiency with 2.6 EER cooling ratio
- Eco-Friendly R290 Refrigerant
- 51/48 dB(A) sound pressure with sleep mode
- Self-evaporating system and washable filter
- Plug-and-Play Setup — Auto swing, window kit, and drain hose included

TORNADO

TPHAW-07ABG

7,000 BTU Portable Air Conditioner

- 2.05 kW Cooling
- A-Class Efficiency with 2.6 EER cooling ratio
- Eco-Friendly R290 Refrigerant
- 53/50 dB(A) sound pressure with sleep mode
- Self-evaporating system and washable filter
- Plug-and-Play Setup — Ø150 mm hose, window kit included, compact footprint

TORNADO

Coffee Machines

A collection of seven TORNADO coffee machines is displayed on a series of concrete blocks of varying heights. The machines include a classic drip coffee maker, a multi-capsule machine, a single-serve pod machine, a premium espresso maker with a grinder, and a small single-serve pod machine. The setting is a modern interior with large windows in the background, through which green foliage is visible. Two potted plants, including a Monstera, are placed near the windows. The lighting is warm and directional, coming from the left, casting long shadows and highlighting the sleek, dark finishes of the coffee machines. The floor is a light-colored, polished concrete.

TORNADO

The Perfect Brew for Every Preference

Transform your coffee routine with the diverse range of TORNADO Coffee Machines, designed to satisfy every taste and lifestyle. From classic American drip coffee makers for rich, full-bodied morning pots to convenient multi-capsule machines compatible with your favorite coffee pods, TORNADO offers effortless brewing at the touch of a button. For the ultimate coffee connoisseur, our fully automatic machines and premium espresso makers feature integrated burr grinders, rapid thermoblock heating, precise pre-infusion, and high-pressure extraction. Whether you prefer a quick single-serve pod, a freshly brewed pot of filtered coffee, or a customized café-style cappuccino, TORNADO coffee machines deliver rich flavor and convenience in every cup.

- Compressor refrigeration with R290
- 200 W power (1.6L / 0.8L vessel)

TORNADO

Air Fryers & Grills

TORNADO

Crispy, Sizzling, and Healthier Cooking

Bring greater variety to everyday meals with the TORNADO air fryer and contact grill range. Prepare crispy favourites with little to no added oil using air fryers available in single and dual-basket designs. Preset cooking programmes and intuitive digital controls make preparing a variety of recipes simple and convenient. For indoor grilling, powerful contact grills deliver fast, even cooking with adjustable temperature control. Selected models also feature Sync Finish technology and smoke reduction, while dishwasher-safe air fryer baskets and removable grill plates make cleaning easier.

TORNADO

Vacuum Cleaners

TORNADO

Smarter Cleaning for Every Home

From powerful cylinder vacuums to flexible cordless handsticks and intelligent robot cleaners, the TORNADO vacuum cleaner range offers a solution for every cleaning need. Advanced filtration helps capture fine particles, while strong suction supports effective cleaning across different surfaces. Selected cordless models combine vacuuming and mopping, with long-lasting batteries and practical features such as flexible wands and LED nozzle lights. For automated cleaning, selected robot vacuums offer LiDAR navigation, multi-floor mapping, obstacle avoidance, mopping and self-emptying—bringing greater convenience to everyday floor care.

TORNADO

Steam Irons

TORNADO

Powerful Steam, Effortless Results

Make everyday ironing faster and easier with the TORNADO range of steam irons and steam generators. Powerful performance and fast heat-up help remove stubborn creases efficiently, while smooth-gliding ceramic or non-stick soleplates support easy movement across different fabrics. All models feature powerful steam boosts, anti-drip and anti-calc systems for reliable everyday care. For larger ironing loads, steam generators combine high-pressure steam with generous water tanks, adjustable output and convenient digital controls—delivering efficient results with less interruption.
